### **Shalom is helping to build a house**

Shalom is joining forces with several other faith-based organizations in constructing a duplex for two families through Habitat for Humanity. We are hoping to involve as many people from Shalom as possible. We will need people with construction skills, cooking skills, worship leading skills, folks with money to contribute, and people with just a willingness to help. It looks like we will be taking the lead on the framing of the duplexes sometime during the month of February.

If you would be interested in sharing your building skills on this project please contact [Tim Godshall](#). We will be contacting other groups of people to participate as we get nearer the time of construction. If you have questions you can contact any of the folks below. Let's make this a project the whole congregation can get behind!

*Duane Bontrager, Tim Godshall, Earl Martin, and Laurie Miller on behalf of the Mission and Service Team*
